SEC. WILSON SAYS DEFENSE CUTS UNWISE

Washington (AP)—Secretary of Defense Charles E. Wilson told a Senate Appropriations subcommittee today that a proposed 2½-billion-dollar cut in the defense budget "would amount to gambling unwisely with the security of the nation."

In prepared testimony, Wilson said he believes there is "no real basis" for assuming international danger has lessened.

"Cuts based on hope alone are too risky," he said.

Wilson said one of two things must occur to justify "real reductions" in security programs—"a real improvement in international relations or a disarmament agreement with proper safeguards."

Wilson said he has not had sufficient time to make detailed analyses of the cuts voted by the House Appropriations Committee.

"But he told the senators some of the proposed reductions represent adjustments in capital funds or new obligations authority not immediately affecting the program."

Wilson said it would be possible to "live with" \$1,313,000,000 of the proposed cuts because they involve transfers of funds available in other forms to the Defense Department.

"This would leave about \$1,274,000,000 of the cut which Wilson obviously intends to fight. The original budget request was \$38,123,000,000."

Reflecting President Eisenhower's stated concern about cuts in buying of aircraft and missiles, Wilson told the committee:

"The reductions which the committee recommended to be applied in the fields of major procurement in the Navy and Air Force will, for the most part, have the direct effect of reducing the military program, the principal impact being in the field of aircraft, ships and missile procurement. I believe that these cuts should be restored."

Injured Cleveland Pitcher Declares Vision Improving

Cleveland (AP)—Herb Score said today he can see light and motion out of his injured right eye, but everything is "hazy."

The 23-year-old southpaw pitcher said his first news conference since he was injured two weeks ago that his vision has improved very much in the last few days.

To a reporter standing three feet from him as he sat on his bed at Lakeside Hospital, Score said "I can tell you are there, but I can't recognize you."

He cracked jokes with half a dozen newsmen who were permitted to see him for the first time since he was hit by a line drive from the bat of Gil McDougald, in a game with the New York Yankees here May 7.

Dr. Charles I. Thomas, the eye specialist who has been treating Score, said the young pitcher probably will leave the hospital during the early part of next week.

Dr. Thomas said the vision tests showed "very satisfactory response to treatment."

Leading Churchman To Deliver Commencement Address June 6

When Warren High School holds its 80th annual commencement exercises at Beatty Junior High School Thursday evening, June 6, the class of approximately 260 graduates will be addressed by one of the leading churchmen of the area, Bishop Lloyd C. Wicke, of Pittsburgh.

Scheduled at 8:00 p. m. on the Beatty School lawn, the program will move indoors in case of unsatisfactory weather for outdoor exercises.

A frequent visitor in Warren as resident bishop of the Pittsburgh area of the Methodist denomination, Bishop Wicke assumed that office since 1948, when he was elected at the Northwestern Jurisdictional Conference in Albany, N. Y. He served as delegate to that conference in 1944 and 1948 and the General Conference in the latter year.

Republicans Push New Plan To Force Leader To Pin-Point Budget Expenses in Agencies

Harrisburg (AP)—Democrats joined Republicans today to advance a record \$1,170,000,000 general appropriation bill to the floor of the House. Unanimous Appropriations Committee approval was given the GOP-sponsored measure designed to cut some 94½ millions from Gov. Leader's budget request. The committee action places the bill and companion appropriation measures also gaining preliminary approval in position for possible final House action early next week, possibly Monday. Chairman Norman Wood (R-Lancaster) said the committee inserted one amendment in the money bill. It would require all departments to indicate exactly how they intend to spend their appropriations within 30 days after the bill becomes law. The report would have to be made to the chairman of the House and Senate Appropriations Committees, the auditor general, and the joint State Government Commission.

Harrisburg (AP)—Republicans pushed a new plan today to force the Leader administration to pinpoint budget expenses for salaries and expenses of state agencies.

Chairman Norman Wood (R-Lancaster) of the House Appropriations committee said an amendment is planned to the \$1,170,000,000 general appropriation bill to carry out the plan.

The committee was expected to send the big money-spending bill to the floor during the day.

Gov. Leader's 1½-billion-dollar budget, submitted last February, was drafted on an activity basis without so-called blank-check appropriations proposed for any department.

Wood contended, however, that the Democratic administration has refused to bring the figures up to date. As a result, the GOP-sponsored general appropriations bill is divided between activity and so-called blank-check grants.

The governor last night blamed the Pennsylvania Manufacturers Association as being primarily responsible for GOP plans to slash his proposed budget by 94½ million dollars.

He called on rank-and-file GOP lawmakers to refuse to be used as what he termed "lackeys and lickspittles" for the PMA.

"I know there are Republican senators and House members who privately are disgusted with this dictation," he said in a statement.

Wood said the general appropriation measure would be placed before the House Republican caucus Monday for a closed-door review.

Democrats were expected to offer their amendments Monday.

The heads of four organizations in letters to members of the Legislature said they would visit the capitol Monday to protest budget cuts for the Department of Welfare.

The organizations are Pennsylvania Mental Health, Inc.; Pennsylvania Citizens Association; Pennsylvania Association for Retarded Children; and the Pennsylvania Council of Churches.

Pickup in Steel Orders Is Noted by Industry

New York (AP)—Leaders in the steel industry note a pickup in incoming orders and are talking about a hike in steel prices.

These were the major comments made by presidents and chairmen of both big and little companies in informal interviews yesterday at the annual meeting of the American Iron & Steel Institute.

Guesses on the hike in steel prices, which could influence the price of innumerable items consumers buy, ranged from \$6 to \$10 a ton. They centered around \$8.

Roger Blough, Chairman of United States Steel Corp., said his company was considering the advisability of a hike in prices but added no decision had been reached.

Boy Slays His Mother and an Older Sister

Rye, N. Y. (AP)—A 14-year-old schoolboy shot his mother and older sister to death in a wild burst of rifle fire last night after a quarrel with the sister over his homework.

The father hustled a younger son outside to safety. He collapsed from a heart attack after police arrived. He was reported in critical condition today in a hospital.

The slayer, Andrew Casey, a tall and stocky Rye High School freshman, was not told his mother and sister were dead. Police described him as "terribly sorry" for shooting them.

Slain in the gunfire—in which at least a dozen shots were fired—were Mrs. Dorothy Casey, 48, and Sheila, 20, an employee of the Rye National bank.

The 50-year-old father, Gene R. Casey, is a public relations firm executive, and a former reporter for the Boston Globe and magazine writer.

Dist. Atty. Joseph G. Gagliardi of Westchester County and Rye Police Chief Robert Warren questioned the youth and pleaded to get the account.

Andrew was censured at home last evening for poor marks at school. After dinner he sulkily went to his room in the family's \$30,000 two-story house to study.

The boy, a former member of the Rifle Club of the Police Athletic League, later went downstairs for a glass of water and started back to his second-floor room. On the way he stopped at Sheila's room and had words with her about his studies which infuriated him.

Andrew then went to the room of a brother who is away at college. (Turn to Page Twenty)

"... Your wife should get a job in the Times-Mirror Want Ads, too—it makes you feel like a million!"

Washington (AP)—Some Senate supporters said today their mail reflects growing public backing for President Eisenhower's \$3,865,000,000 foreign aid program.

Others disagreed, and Sen. Russell (D-Ga.) proposed cutting the proposals down to 2½ billion. He called for "the elimination of all economic assistance abroad except a reasonable technical aid program."

Incomplete Tally Shows Seven Councilmanic Contests Certain In Warren in Fall Election

Seven contests for Warren Borough Council seats lined up today as county commissioners released the names and vote totals of Democratic nominees who will oppose five incumbent Republicans and two new nominees.

Councilman John Newmaker, who defeated Ralph Anderson in Ward 1 is running unopposed by a Democrat. So is Nick Merenick who defeated Richard Tucker in the Republican primary nomination battle Tuesday. Their return to Council is assured.

In Ward 2 Democrat Pat Sherwood received nine votes in the expected low turnout where no Democratic contest existed. He will oppose Republican incumbent, Warren E. Miller.

Democrat Tom Conway got 11 votes in Ward 3, will oppose Republican incumbent Jesse Smith. Art White received 29 votes in Ward 4, will run against incumbent John Carbone in the November general election.

Jack M. Larson received the Democratic nomination in Ward 5 with 13 votes, will oppose Karl Timm who unseated Republican incumbent C. "Ted" Berdine by a count of 242 to 159 in Tuesday balloting.

In Ward 6, William F. Schumann received 9 Democratic votes and will oppose incumbent Republican Paul Yagge who was successfully renominated over Tony Tomassoni.

In Ward 7, Isador Trager got 14 votes, will provide the Democratic opposition to new Republican nominee Richard Meacham who was sponsored when R. E. Johnson decided not to run again.

In Ward 8, Frank Fago got 12 Democratic votes and will oppose Republican incumbent Maurice Emery.

Erie Man Fined \$10,000 On Tax Evasion Charge

Erie (AP)—The 64-year-old former president of Penn-Union Electric Corp., Erie, has 30 days in which to pay a \$10,000 fine levied after he pleaded guilty to a charge of income tax evasion.

The government withdrew five similar counts against Charles L. Stoetzel after he pleaded guilty yesterday to a more serious charge of evading taxes on \$285,000 received from scrap metal sales between 1942 and 1952.

U. S. District Court Judge Herbert T. Sorg said he was being lenient with Stoetzel because he paid the taxes due.

Some girls dream of one day becoming a Miss America but so far only 35 have achieved it, the latest being 19-year-old Marian Ann McKnight, a southern belle of Manning, South Carolina.

This fairest of the fair will be in Warren during Jaycees Mid-Summer Mardi Gras to preside over the July Fourth Queen ceremonies.

From her hands will come the crown and label of Miss Warren County, 1957. All county girls between the ages of 17 and 22, single and residing within the county limits may compete.

Entry blanks will begin appearing in Times-Mirror on Monday. Deadline to file will be Wednesday, June 12th, at 5 p. m. Preliminary judging takes place Friday, June 12.

All finalists for the title of queen will not only receive the usual fine prizes but also have a chance to meet the country's reigning beauty, Miss McKnight, who incidentally plans to return to Coker College when her year of queenly obligations is completed.

Miss America, like any other teenager, had a schoolgirl crush on Rock Hudson, called him up one night and talked to his mother when Rock was in Europe. The young lady was a B-plus student in Manning and a vacillating collegiate curriculum has switched her interests from writing, to chemistry to business. With a Miss America title worth an estimated \$50,000, Miss McKnight would seem to have made an appropriate final choice.

The reigning beauty has a boyfriend, Johnny Cramling, who stars with Ottawa, Canada's football team. Wedding plans have been postponed until Marian receives her college degree, "Education comes first," says the blonde beauty.

Nicknamed "Monk" by her father when a tomboy of seven, the present Miss America is partial to blue, designs her own clothes, likes cooking, travel (will make two trips to Europe this year), and particularly enjoys staying up late and sleeping late, two items which are out in the crammed Miss America time schedule.

The young lady is not likely to become swelled headed, though. At college she rooms with Martha Jean Chestnut of Conway, S. C., the girl who beat Marian out for the title of Miss South Carolina last year.

Further extensive studies are needed before the precise location is fixed and submitted for federal approval.

The shortway, which would extend from near Stroudsburg to near Sharon, almost 300 miles across northcentral Pennsylvania, has been under consideration for more than three years.

As part of the interstate system it would be built within the next 13-15 years with the federal government paying 90 per cent of the costs. The state would pay the remainder.

Tallamy wired Z. H. Confair, Williamsport, president of the association:

"In accordance with the recommendation of the state of Pennsylvania Highways Department I have approved the relocation of the interstate system across the state of Pennsylvania from the northernly location generally following U. S. 6 to a more central east-west alignment known generally as the Keystone Shortway."

In Bradford, Pa., Harry G. Garvin, chairman of the "Save Route 6 Committee" that opposed the Keystone Shortway in favor of placing Route 6 on the interstate system, said "we are very much disappointed up here."

"We have lost and we will go along with the governor," he said. "We live in Pennsylvania. We accept it now. As we view it there is no appeal from this decision."

When the interstate system was first planned the general location of U. S. 6 across the northern tier counties, was included.

Gov. Leader and State Highways Secretary Joseph J. Lawler, recommended the shortway as a substitute last year. However, interests favoring Route 6 opposed the recommendation.

Tallamy's telegram described the shortway in this manner:

"It will extend from a point on the Ohio-Pennsylvania line where adequate connection can be made to the routing in the vicinity of Youngstown, Ohio, easterly to the (Turn to Page Twenty)

International courtesy requires that Coty let the U. S. government know sometime in advance if his constitutional duties will force him to cancel the trip. For this reason he is pressing the warring French political leaders to give him an answer one way or another in the next few days.

Officially, Coty still has not accepted the resignation of Mollet's Socialist government, submitted Tuesday after 16 months in office—a postwar record. But the socialist premier said he was definitely through.

Harrisburg (AP)—A Cambria County Republican senator has called for a statewide vote on a constitutional change to allow county treasurers to succeed themselves. Sen. Ernest F. Walker submitted a resolution yesterday calling for the referendum. The proposal would have to pass both Houses of the present General Assembly session and also the 1959 session before being placed on the ballot.

AREA C. OF C. AND OTHER GROUPS TO CONTINUE FIGHT FOR ROUTE 6 IMPROVEMENT

Officials of the Warren Area Chamber of Commerce which has supported the "Save Route 6 Committee" in its fight to retain Route 6 on the Interstate System expressed disappointment today in the announcement that the Keystone Shortway would replace 6 in the Federal plans.

However, Chamber President Paul Harrington said the local Chamber along with other groups along U. S. 6 would continue to push for road improvements along the scenic highway. Any improvements now will be on a 50-50 basis with the state paying half the costs and the federal government putting up the other 50 percent.

Highway Transportation Committee chairman Clifford Johnson stated that Governor Leader and Highways Secretary Lawler had declared their intention to improve Route 6 as a Scenic Highway during their efforts to substitute the Keystone Shortway on the Interstate.

All efforts will now be made to obtain the best possible road through the northern tier of Pennsylvania to bring as many motorists this way as possible and to provide better highway transportation for business and industry.

The Save Route 6 Committee has carried on a strong campaign over the past year to retain the highway on the Interstate where it was originally placed many years ago. A petition containing 10,000 names was presented to the U. S. Bureau of Roads and several visits were made to Washington on behalf of the northern route.

Charles R. Tranter, Chamber Executive Vice President, who served on the Save Route 6 Committee, said that Highway Administrator D. B. Tallamy did not give any reasons in his telegram today for choosing the Keystone Shortway in preference to Route 6.

Tranter said, however, it has been generally known that political pressure from Central Pennsylvania was especially heavy for the Shortway as recommended by the State Highways Department and the Governor's office.

Dispatch Confirms Decision Of U. S. Public Roads Bureau

Washington (AP)—The Bureau of Public Roads today approved the Keystone Shortway route as a part of the federal interstate highway system stretching across northern Pennsylvania.

The approval was made public by Federal Highways Administrator B. D. Tallamy in a telegram to the Keystone Shortway Assn. The exact route of the highway is yet to be determined. Today's action applies to a general location only.

The State Highways Department said it received notification of the approval from Tallamy in Washington and was informed that a "route description" of the general location will be issued in several days.

Further extensive studies are needed before the precise location is fixed and submitted for federal approval.

The shortway, which would extend from near Stroudsburg to near Sharon, almost 300 miles across northcentral Pennsylvania, has been under consideration for more than three years.

As part of the interstate system it would be built within the next 13-15 years with the federal government paying 90 per cent of the costs. The state would pay the remainder.

TV Reception Is Influenced by Spots Across Face of the Sun

William Loucks, Warren Television Corporation manager, reports that thousands of viewers all over the country are seeing on their screens results of one of Nature's most spectacular shows—the interference caused by movement of spots across the face of the sun.

One form of interference is confined mostly to the lowest TV channel, especially Channel 2, and consists of dancing, shaded areas running through the picture and making it generally impossible to watch. Although this phenomenon is of an intermittent nature, it is impossible to eliminate by any known methods.

Another type of interference caused by these magnetic storms is the ability of a distant radio or television station to be received many miles beyond its normal operating range. As related to television reception it caused stations that normally would not be received, to appear as co-channel "bars" (venetian blind pattern) on a station usually free from such interference.

A well-known example of this is a Canadian TV station on Channel 6 breaking in on Johnstown Channel 6 as received in this area.

Jaycee Clean-Up Proceeds To Be Used for Park Trash Bins

With Jaycee cleanup and improvement projects completed, Leonard Johnson General Chairman, and committee Gail Cobb, Bill Hesch, Ronald McCain, and Ted Wood have submitted this report:

Cleanup project this year consisted of a record breaking 58 loads of trash, 14 loads of salvage and 185 man hours of work to complete the Jaycee sponsored undertaking. A good turnout of Jaycee workers were on hand with the usual good spirit and enthusiasm. On two occasions the detail did not retire until 1 a. m. due to tremendous loads this year, it was necessary to have an additional evening for pickup.

Without the services of the following business concerns the cleanup could not have been made possible: Valentine Disposal, Emblem Oil, Struthers Wells, Beyer Construction, Nelson Ellberg, Warren Boro, Warren Asphalt Products, Mastersons Transfer, Charles Pinsky and Son, Louis Segel and Son, and Williams Salvage Co. Jaycees extend thanks to these concerns for their generous support. Money obtained from Salvage will be used to help supply parks with trash containers.

General Joseph Warren statue, which was an extra feature of the

campaign, is once again restored to its granite pedestal with a new coat of armor. It took about 35 man hours to complete this project. The 700 pound bronze statue was lowered and then replaced by the large boom donated by Mastersons Transfer Co.

Others who contributed to the success of this campaign are Jaycee Auxiliary, who served refreshments to the workers; Warren Times-Mirror, the Observer, radio WNAE, 16 retailers (postal display), Messerly Monument Works, George Hesch, Mr. and Mrs. J. P. Wendell, James Deigan, Keith Reynolds, and James Reier, Parks Dept. As a result of their fine cooperation, Warren is a more attractive and a healthier place in which to live.

Canteen Steering Committee Has a Productive Meeting

The monthly meeting of the Youth Canteen Steering Committee at the YMCA last night was one of the most stimulating and productive meetings in many months.

The chairman of the Warren Recreation Board read the contents of the five-year lease signed earlier this week by the YMCA and Warren Recreation Boards. Following discussion of all aspects of the lease and Steering Committee obligations pertaining to it, general approval was voiced for the five year lease done by the members involved.

The high point of the meeting was the report presented by Bill Lundahl, Chairman of the "Spot" Fund Raising Committee. His report synthesized is 20% of the goal of \$10,000 was reached with the checks from Warren Kiwanis plus the Youth Canteens share of the proceeds from the Pittsburgh Symphony. Industrial and individual citizen solicitations will get under way the early part of next week.

John Stachowiak announced that the students of both Beaty and Warren High have elicited tremendous interest in the Fund Raising Campaign. Not to be outdone by the adults of the community they have already planned two dances which will be held during the campaign with net funds going toward "Spot" improvements. The first dance will be held next Wed. May 29 featuring "The Rhythmairs" a very popular area

State Hospital Budget Is Cut \$2,000,000 in G.O.P. Program

Harrisburg (P)—Budgeted appropriations for most of the state mental hospitals would be reduced under a Republican plan but with a proviso that the institutions could in effect keep the funds they receive from paying patients.

The collection provision is written into the general appropriations bill. The measure is intended to make up the reduced appropriation with the collection money which now goes into the general fund.

The budgeted appropriations and the figure proposed by the GOP include:

Danville, from \$8,292,388 to \$6,568,854; Dixon, from \$2,625,491 to \$2,524,918; Embreeville, from \$3,305,236 to \$2,493,631; Farview, from \$4,395,206 to \$2,516,182; Mayview, from \$10,575,522 to \$8,135,410.

Norristown from \$13,145,932 to \$8,244,949; Retreat, from \$3,864,438 to \$3,284,779; Somerset, from \$2,506,543 to \$2,054,825; Torrance, from \$7,556,549 to \$6,766,670; Warren, from \$9,434,916 to \$7,062,708; Woodville, from \$7,653,952 to \$6,351,204.

Comparisons for five institutions for mentally deficient persons are: Ephensburg State School, from \$564,000 to \$300,000; Laurenton State Village, from \$3,105,387 to \$2,981,000; Pennhurst, from \$10,418,904 to \$8,003,006; Polk, from \$9,431,469 to \$7,100,267, and Sellinsgrove, from \$6,902,567 to \$5,387,027.

Interesting Meeting Held by Credit Unions at the United

An interesting meeting of officers of local credit unions was held Monday evening in the office of the United Refining Company, with officers of United Emblem Credit Union serving as hosts. The following credit unions were represented: Interlectric, Warren Post Office employees, Warren county school employees, Sylvania, Struthers-Wells and United Emblem.

Leo L. Gleese, district representative on the Pennsylvania Credit Union League Board of Harrisburg, reported briefly on the state convention recently held at Benjamin Franklin Hotel, Philadelphia. There are presently 1025 credit unions in Pennsylvania serving over 530,000 members. A new credit union is chartered about every fourth day.

Dom Servillo, league representative of district 10, led the open discussion forum, reporting that 14 applicants were interviewed at the state convention for the representatives positions now open for local district 5.

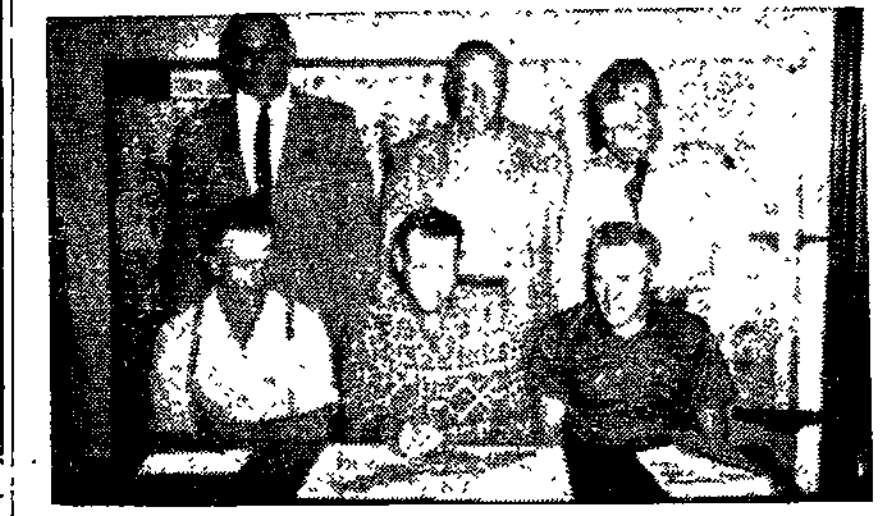

All the local credit unions are operating under a federal charter, which makes members eligible up to \$2,000 of free life insurance, the amount recently increased from \$1,000. Already three local credit unions have made application to increase insurance benefits. The insurance based on the individual members savings is free to the individual member; premiums are paid from net earnings of the credit union.

Plans are underway to hold a joint dinner meeting with the Erie chapter of credit unions, the affair to be held September 21. Officers of local credit unions will be informed as plans progress.

The following officers were recently elected to head the local chapter of Credit Unions: President, William B. Burd, of Warren State Hospital Credit Union; vice president, Harold E. Farrell, of United Emblem Credit Union; secretary, Thomas R. Hamilton, of Pennsylvania Gas Credit Union; treasurer, Harold E. Patchen, of National Forge and Ordnance Credit Union. Addison B. Scholes, of Interlectric Warren Credit Union, will serve as chairman of ways and means committee.

Officers of the local credit unions who met at United Refining Company office are grateful to the management for making their facilities available, and also for the courtesy of arranging for and showing the colored film "Birth of the Oil Industry", portraying Col. Drake and his many interesting experiences in attempting to drill the first oil well at Titusville. Vincent Price, of TV's \$84,000 quiz fame, portrayed the part of Col. Drake.

Soil Conservation Directors Plan for Stewardship Week

One of the items for discussion at the last meeting of the Warren County Soil Conservation District directors, was the distribution of folders to members of the Warren County Ministerial Association. These will be used during Soil Stewardship Week, May 26th to June 2nd.

Dave Unger, Supervisor of Pennsylvania Soil Conservation Districts, of Harrisburg, was present. He discussed the addition of five new districts since January 1st. This brings the total in Pennsylvania to 48 out of 67 counties.

He also discussed policies and operations of the State Association. Other routine matters in the operation of the Warren County District were discussed.

Those in attendance at the meeting are shown in the above photo:

Seated left to right—Robert W. Johnson, Treasurer; Allen P. Lindell, director-chairman; Gerald G. Bensink, director-secretary. Standing left to right—Blaine Mead, county commissioner member; Robert Rowland, director; Ralph Eckert, Work Unit Conservationist Soil Conservationist Service.

Warren's New 'Outdoors Store' Officially Opens Doors Today

Latest addition to Warren's merchandising outlet, the "Outdoor Store", officially opens its doors today.

Located at 237 Pennsylvania avenue, west, site of the former Federal Stores, the outlet is owned by the firm of Rochester Merchandise Inc., and is one of 20 similar stores located in Western New York as nearby as Jamestown and Westfield.

The "Outdoor Store" will feature a vast variety of merchandise, including men's and children's wear, shoes, sporting and household goods. The firm has made rapid progress in recent years, employing a unique mode of "Self Service" merchandising for the convenience of its customers.

An additional link to the Rochester merchandising chain will be a new store opening in Salamanca on or about June 15.

Opening Day and weekend patrons, both adults and children, will be the recipients of gifts. In addition, they will be eligible for a varied assortment of special prizes which will be awarded June 8.

Management announces that "Outdoor Store" will make every effort to utilize area personnel in the operations of its Warren store.

Memorial Day Plans Are Announced by Legion at Ludlow

Ludlow—Plans for Memorial
Day services were discussed at the
regular meeting of James Uber
Post, American Legion. This year's
exercises will be held at 10:30 a.
m. in the Gibbs Hill cemetery, with
the Rev. Richard Peterson of First
Mission church as speaker and
Moriah choir singing two selec-
tions. In case of rain, the program
will be given in the Legion Hall.

Committee for the Memorial Day
events will be Bert Carlson, Art
Christensen, J. W. Fox, John Ju-
ban, Eugene Kalin, Lester McAr-
thur, Leo Morelli, William Ras-
ton and John G. Johnson.

The Legion Auxiliary enjoyed
an interesting gathering at the
Pennsylvania Gas Company build-
ing in Warren, with 33 present for
a demonstration on cooking and
equipment given by Mrs. Alice Pe-
tersen, PGC home economist from
Jamestown. Coffee was served by
officers of the Auxiliary, with Mrs.
Lester McArthur presiding. Emma
Christman, Council president of
Warren, was a guest.

Wildcat Park Auxiliary an-
nounces its proposed houseclean-
ing session has been changed, be-
cause of the road-closing program,
and will be held at 7:00 p. m. next
Tuesday. Workers are to bring
towels and dustcloths, officers will
be hostesses.

PTA will meet at 7:30 p. m.
Monday, when Mrs. Emil Nelson
and the teachers will present mus-
ical numbers, the Little Ludlow
Music Group will offer a program,
and officers will be elected.

Pastor Mallard Nelson, of Tabor
church in Kane, was guest speak-
er for Moriah Church women, his
topic "World Lutherans Coming
to the United States". The 42 wom-
en present also enjoyed a song by
a group of women and a memorial
tribute to Mrs. Walter Cox. Mis-
sionary education was stressed by
Mrs. Carl Eliason and a reading
circle was formed; devotions were
given by Pastor Eliason, there was
a reminder Mission Tidings sub-
scriptions are due to Mrs. Emil
Anderson. Conference and District
delegates' reports will be given at
the next meeting, when Rev. Rob-
ert E. Olson will speak on South-
east Asia and the Christian Reli-
gion.

Merle Sutton and sons, Larry and
Ronald, Grand Valley.

Mr. and Mrs. Robert Colvin and
children, Charles, Lois, David and
Becky, of Clarendon, visited Mr.
and Mrs. Ray McChesney at Tor-
pedo Sunday.

Mr. and Mrs. Helmer Fornell,
Jamestown, visited Mr. and Mrs.
Wilms Wentworth Sunday, taking
back with them some lovely pink
honeysuckles.

Visitors at the home of Mr. and
Mrs. Loyal McAvoy at Torpedo
have been Mr. and Mrs. Clyde Han-
nah and children, Calvin and Shan-
non, Tidoute; Carl Hannah and
son, Jack, of Erie; Mr. and Mrs.
Junior McChesney, Warren. Mrs.
McAvoy has been a recent visitor
of Mr. and Mrs. Delbert Anderson
at Warren.

Mrs. Helen Bosko, Erie, is visit-
ing her daughter, Mrs. Laverne
Benedict, The Benedicts, with Mr.
and Mrs. Morgan O'Brian and
daughter, Patricia, of Youngsville,
visiting Mr. and Mrs. Meri Shil-
lings at Lakewood Sunday even-
ing.

RUSSELL

Mr. and Mrs. Andrew Lindell
attended confirmation exercises at
Brooklyn Heights Methodist church
in Jamestown Sunday, when their
granddaughter, Susan Hannahs,
was a member of the class.

Mr. and Mrs. Harold Barnes and
family, Warren, were Sunday
guests of Mrs. Charles Swanson.

Dr. and Mrs. Maurice Lindell,
Philadelphia, are spending a week
with his parents, Mr. and Mrs.

It May Puzzle Males, But—

This Girl Is Crazy About Engineering

BY ALICIA HART
NEA Staff Correspondent

DEARBORN, Mich.—(NEA)—
Blonde, 19-year-old Mary
Ellen DuVal is the lone coed on
a unique automobile industry
campus in Dearborn, but she's
not the least embarrassed about
it. Neither are her male class-
mates.

"The fellows just kid me about
being the only girl among them
and we have a lot of fun over
it," Mary Ellen explains. "But
everyone else seems downright
amazed at the idea of a girl en-
gineer."

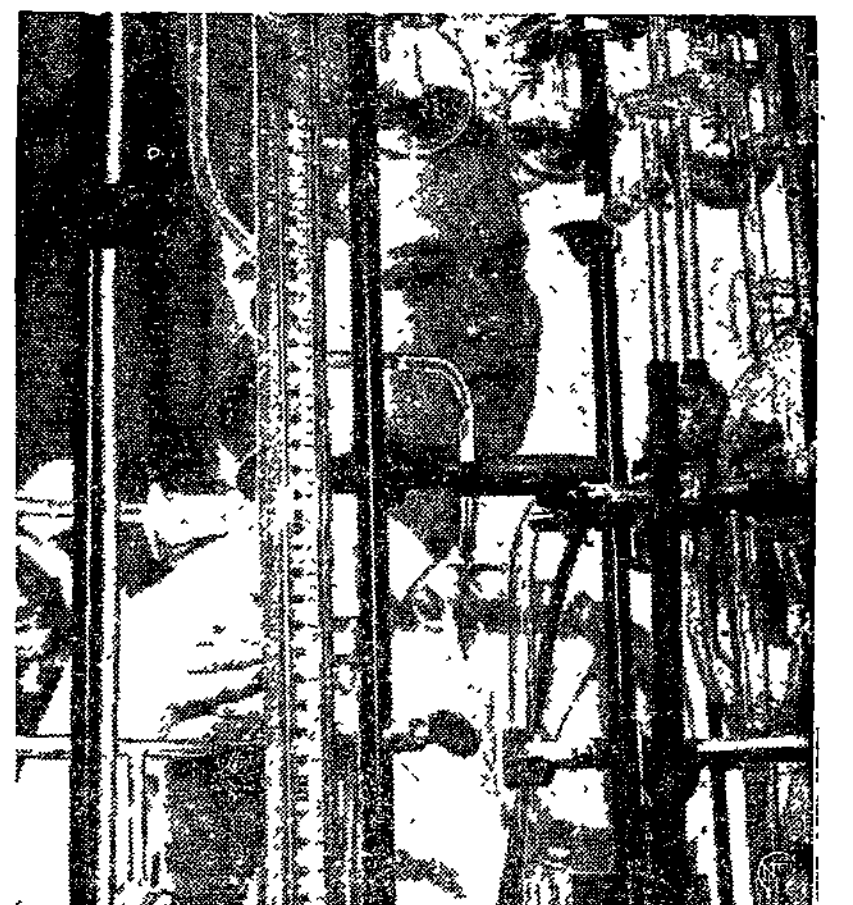

Mary Ellen is one of a select
group of students from 36 col-
leges all over the United States
whose classrooms for six months
of the year are the steel mill,
test track, foundry and other
manufacturing, engineering and
research facilities of the Ford
Motor Co.

Like Mary Ellen, who is a
freshman at Henry Ford Com-
munity College in Dearborn, they
spend half the year on their own
college campuses and half in
engineering or business adminis-
tration work with the auto com-
pany.

AND LIKE THE OTHERS,
Mary Ellen will receive her col-
lege degree in five years instead
of the customary four. She
doesn't mind the extra year at
all.

"I think I learned more during
the three months I spent in the
chemical laboratory at the re-
search and engineering center
than I would from a textbook,"
she says.

Enrolled in college as a me-
chanical engineering student,
Mary Ellen hopes eventually to
specialize in nuclear physics.
That's why she was happy to dis-
cover that her first assignment at

Peering into an elaborate piece of chemical apparatus is Mary Ellen DuVal, lone girl among the engineers in the Ford program.

Ford was on a radiation project
involving the bombardment of
organic polymers.

This is in keeping with the
training program policy to place
students in productive jobs
which have been selected for
their training value and are re-
lated to their college study
courses. Students thus get a
chance to work in their chosen
fields before graduation while
receiving salaries that enable
them to finance their education.

WHEN HER "CO-OP" days
are completed, Mary Ellen hopes
to work at Ford, although that is
not a requirement of the pro-
gram.

She discusses engineering mat-
ters with the enthusiasm coeds
usually show for literary or so-
ciological studies. When she tells
you how fascinating she finds a
course in which she is learning
about heat treating and welding
of metals, it is obvious she isn't
fooling about her desire to be a
girl engineer.

What she can't understand is
why her ambition puzzles so
many males.

The chiffon look and sheer fabrics will keep company with draped and open shoes this summer.
The less shoe, the better but it must be skillfully made and comfortable on the foot. We show here
three examples of the open summer shoe by Delmanette. The closed toe mule pump (left) has a
patented arch that holds this backless shoe firmly to the foot. Fabric is raw silk with iridescent
beads in rows design on the heel. Shining black patent leather (center) is used for sandalized
pump with tapered heel. There's a minimum of shoe (right) in this graceful kidskin design with
patented arch. Heel is high, curved and slender.—By GAILE DUGAS, NEA Women's Editor.

Teacher Is Retiring

Miss Minnie Hansen, retiring at the close of the term as first grade teacher at Youngsville Elementary School, was honored by the PTA with an open house given from 1:00 to 5:00 p. m. Sunday at the National Forge clubhouse at Ir-rine. In spite of poor weather, a large number was in attendance. The room was attractively decorated with spring flowers and a large arrangement of iris and nar-sissus, flanked by blue candles, formed the table decoration. A fainty buffet lunch was served, with a variety of cookies, coffee and punch. Miss Hansen was pre-sented with an orchid from the or-ganization. Those who assisted with plan-ning, serving or handling the guest book included Dorothy McAllister, Hazel Giegerich, Charlotte Dal-cymple, Ruby Ransom, Lorraine Stiller, Leona Mack, Vivian Lind-borg, Helen Piper, Vivian Smith, Elizabeth Stevens, Mildred Coons and Marge Finlan. Ross Davis and

Loren Mourer, former pupils, also assisted.
The honored guest was present-ed with gifts and a purse of money.

Here's a Hair Spray That Holds the Curl

A brand-new spray-on lotion that will keep hair in place and curled in hot, humid weather or on rainy days has just made an appearance. It can be used safely on bleached or tinted hair, the makers say. The mist that it sprays is very fine.

BY ALICIA HART, NEA Beauty Editor
IN summer heat and on damp or really rainy days, unpleasant things happen to a woman's hair. It straggles, little wisps turn up, the wave starts to droop and the end result is not a pretty one. There's a brand-new spray on the market that will, its makers say, take care of all of this and turn a girl out with beautiful, manageable hair in weather of all kinds. Its waving formula contains no lacquer, it is said, and will not leave the hair stiff and sticky. For a quick set, simply spray your head after curls have been set, then spray it once more after it's dry and you've brushed it into place. But for longer-lasting curls, moisten your hair, spray it and set it into pin curls. And spray the finished hairdo again. The spray, which comes in a pink frock, dispenses a very fine mist which is imperceptible on the hair. It doesn't leave a set or rigid look.

HOW Water Works
DO YOU KNOW ---- ?
WHY SOME CLOUDS ARE WHITE - AND OTHERS BLACK ?
The difference is caused by the size of the water particles in the clouds, as well as by the amount of sunlight shining on them. When the water particles are small, they reflect sunlight and the cloud is white. When the drops of water are larger, they absorb light instead of reflecting it, and the cloud appears dark.

Golden Wedding Day

—Courier Photo

Approximately 150 guests attended the open house held Sunday in the Garland community center to honor the golden wedding anniversary of Mr. and Mrs. C. H. Briggs, well known residents of that community.

Guests were present from Pittsburgh, Erie, Beaver Town, Kane, Sheffield, Warren, Youngsville, Pittsfield and Garland to shower the couple with best wishes and remember them with many lovely gifts and a purse of money.

Table appointments were completed with an arrangement of snapdragons and lilies of the valley, a tiered anniversary cake was adorned with bells, golden net and the numerals 1907-1957. In addition, a wrought iron setting of chairs and lamp provided a homey spot in which the couple welcomed their guests.

Presiding in the afternoon were Mr. Briggs' sister-in-law, Mrs. Ethel Briggs of Erie, and Mrs. Lawrence McQuillan of Pittsburgh, sister of Mrs. Briggs; in the evening, Mrs. Arch Bristow of Garland and Mrs. William Grey, Pittsfield.

Mr. and Mrs. Briggs were married May 19, 1907, at Kane by the Rev. Carl of the Baptist church. Mr. Briggs was employed by the Pennsylvania Railroad Company for 45 years, retiring 10 years ago. For the first year of married life, they resided at Dagscahonda, moving to Garland the following

To Play for Jaycee Inaugural Ball

Pictured above are the 3 Guys and a Gal from Bradford who will provide the music for the 1957 Jaycee Inaugural Ball at the Woman's Club on Saturday, June 1st. The combo is well known throughout northern Pennsylvania and southern New York, has worked behind such stars as Patti Page and Mindy Carson, and has had no trouble securing return engagements once it has been heard in a community. Dancing will follow the banquet and program in which tribute will be paid retiring and in-coming Jaycee and Auxiliary slates. Reservations have been extended to Saturday of this week and may be made by calling 4354 or 229.

year and residing since in Youngsville and Garland.

Both enjoy good health and are active in church and community affairs. They have three children, Charles, Oil City; Frank, of Gar-

land, and Mrs. Wendell Engstrom, Youngsville; also nine grandchildren.

Ticket Reminder For Benefit Dance

Mrs. William Walters, ticket chairman for the Woman's Club-sponsored Community Swimming Pool Benefit Dance at the club on Saturday night of this week, urges that persons interested in securing tickets, do so promptly in order to avoid disappointment.

Dancing will be from 9:00 until 2:00, with George Johnson and his popular combo providing the musical inspiration.

Tickets for this very worthwhile community project are available at The Style Shop, Warren Drug Store, Betty Lee's, and at the Woman's Club office.

In addition, they may be secured from any of the following committee members: Mrs. F. S. Erickson, Mrs. Harry Wildblood, Mrs. John Wendell, Mrs. Aobert Donaldson and Mrs. Robert Wilder.

SCOUTS ARE URGED TO MARCH IN PARADE

The public relations committee of the Warren-Forest Council of Girl Scouts is anxious to have a large representation of Scouts marching in the Memorial Day Parade sponsored by veterans' organizations. It is urged that leaders of Intermediate and Senior Troops in Warren borough and surrounding communities plan to have their troops participate.

Leaders are reminded to call Mrs. Earl Abel, 5896-R-12, or the Girl Scout Office, 1895, if their troops plan to march in the parade.

MUSICAL TEA

A program will be presented at the YWCA at 1:15 p. m. Friday, with songs by Romaine Erickson, soprano, and Violet Borg, contralto, accompanied by Richard Sides at the piano. A tea will follow the program, with the public cordially invited.

TODAY is pay day for all who have classified ads.

MRS. NEWTON GIVEN POPULAR AWARD VOTE
Mrs. Gerald Newton, 14 Jackson avenue, received the "Popular Vote Award" for the 1957 Talent Recognition Art Show concluded at the Woman's Club last evening. "Larry", an oil portrait, was first choice of those attending the three-day exhibit, the subject being Larry Whitten, son of Mr. and Mrs. L. R. Whitten, 114 Willoughby avenue. All paintings receiving awards at the show may be seen at Westmore Gallery of Warren Public Library through next week.

Junior Presidents Are Handling Prom Details

Jane Harrington and Bill Bevevino, co-presidents of this year's junior class, are serving as co-chairmen for the 1957 Junior-Senior Prom, scheduled in Beatty Junior High School cafeteria June 1.

Dancing will be from nine until one to the music of Gail Graham's Orchestra and the entire setting will deal with a "Moonglow" theme, although the actual details are being kept a closely-guarded secret.

Committee chairmen working out details for the event include the following: Scott Mohr, decorations; Marilyn Haer and Sandy Burke, chaperones; John Camighiano, refreshments; Sue Pritchard, tickets and programs; Bob Yerg, band; Merabeth Newton, publicity. Earlier this week, members of Warren Lodge 223, BPOE, announced they will honor the seniors for an After-the-Prom Party to be held in the lodge auditorium, with entertainment and refreshments served by the house committee.

MR. AND MRS. JOHN F. REED

Married in Mercer Church of the Nazarene in early May and home from a wedding trip to Virginia and Washington, D. C., Mr. and Mrs. John F. Reed will make their home in Warren.

The bride is the former Patricia Louise Bopp, employed as a typist at New Process Company and daughter of Mr. and Mrs. Cash F. Buzard, West Middlesex RD 2, where she was graduated from West Middlesex High School.

Mr. Reed, son of Mr. and Mrs. Fred Reed, of Warren and alumnus of Warren High School, is a student at Penn College in Cleveland and part-time employee of Interlectric Corp.

They were married in a candlelight ceremony at 2:30 p. m. May 4, the Rev. Clair D. Walker officiating. Doris King, of Warren, played traditional wedding airs and two special organ selections, "The Wedding Prayer" and "The Lord's Prayer".

Given in marriage by her stepfather, Mr. Buzard, the bride wore ballerina length imported Chantilly lace and nylon tulle over slipper satin, styled on empire lines and featuring a scalloped neckline accented with sequins. A cap of pearls and sequins held her fingertip veil and her white Bible was topped with a corsage of red roses and white streamers.

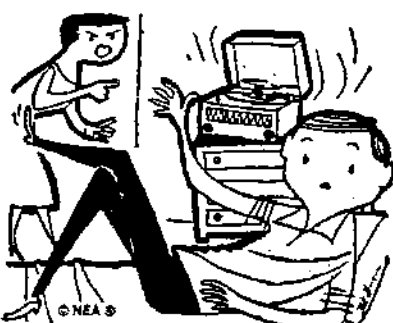

Attendants were Letha Mae Wolfgang of Venus, as maid of honor; Hazel Shipman of Sharon and Carolyn Anderson, Mercer RD, the bridesmaids; Bonnie Joy Curson, Mercer RD 7, flower girl. Their powder blue gowns were ballerina length, with shirred bodices. The maid of honor carried white

carnations; the others, pink carnations.

Completing the bridal party, Garth Rath of Warren was best man; George Barber and Robert Sheer, Mercer RD 6, ushered.

A reception for 75 guests followed in the Mercer American Legion Hall, where appointments were in pink and white, centered about a four-tier wedding cake.

Salvation Army League Plans Memorial Service

The Home League of the Salvation Army will sponsor a Memorial Service at 7:30 p. m. Sunday in the citadel building honoring their war dead and the soldier dead of the community.

The "Book of Remembrance", in which is kept names and addresses of boys and girls in the service of their country, will be on display.

A special program, with music and singing, has been arranged and the speaker will be Mrs. Burdett, wife of the Corps officer, assisted by Mrs. Charles Shaffer.

A hearty welcome is extended to all friends and relatives who have lost loved ones in the war.

Another springtime event on the Home League calendar has been a very successful mother and daughter banquet. Tables were beautifully decorated with flowers and places were set for 32 mothers and 14 daughters.

A short devotional session was held under the leadership of Mrs. Schaffer and, to conclude the evening, some of the ladies staged a playlet depicting the different stages through which a girl goes in growing up. All joined in singing "M-O-T-H-E-R" and in a closing prayer.

For the Thursday evening session, members will have a worship program, "Women of the Bible", under the leadership of Mrs. Iva Michael and Marcella Litchenberg.

New Slate for Jaycee Auxiliary

Warren Jaycee Auxiliary will start its 1957-58 season with a new slate of officers chosen at the annual business meeting of the board of directors. Pictured, standing left to right, are Mrs. Donald Owens, first vice president; Mrs. Virgil Zetterlind, president; Mrs. Leonard Johnson, treasurer. Seated, same order, are Mrs. Clarence Mader, corresponding secretary; Mrs. L. W. Krespan, recording secretary. Not present when the picture was taken is Mrs. John Stachowiak, second vice president. (Photo by McIntosh Studio).

Final meeting of the Jaycee Auxiliary for the current season was held in the form of a luncheon Monday evening at the YMCA, when a delicious meal was enjoyed at a table attractively centered with lilacs and lilies of the valley. On the dinner committee were Mary Schorman, chairman; Betty Owens and Penny Krespan. The business session conducted by President Marion King opened with roll call and routine reports of the secretary and treasurer. Julie Hanson read a letter from Warren State Hospital concerning the nursing program; Arlene Jones reported on plans for renovation of The Spot.

Appointed as an auditing committee were Penny Krespan, Barbara Goldthwaite, Betty Owens and Eleanor Lesser. Betty Owens reported the Jaycees are setting up a committee for a summer picnic.

Auxiliary President King presented her annual report, which was well received by the group, and the new slate of officers was introduced as follows:

President, Anne Zetterlind; first vice president, Betty Owens; second vice president, Bernice Stachowiak; recording secretary, Penny Krespan; corresponding secretary, Audrey Mader; treasurer, Elaine Johnson; historian, Marion King; parliamentarian, Mary Schorman; directors, Eleanor Lesser, Julie Hanson and Arlene Jones.

Remember...you'll get better results if you use my JACK FROST SUGAR!

You'll find Jack Frost Sugar dissolves so quickly and completely—it will always give you a finer-textured cake!

FESTIVE CHOCOLATE ROLL

2 eggs, separated • ¾ cup Jack Frost Granulated Sugar
½ cup hot water • ½ teaspoon vanilla
¾ cup sifted flour
1½ teaspoons baking powder • ¼ teaspoon salt
2 squares unsweetened chocolate, melted
½ cup heavy cream, whipped
Jack Frost Confectioners Sugar

Beat egg yolks until thick and lemon-colored. Add sugar, water and vanilla, beating until well blended.

Measure sifted flour with baking powder and salt; sift and add gradually to sugar mixture.

Stir in chocolate. Fold in stiffly beaten egg whites. Pour into shallow pan, (10" x 15"), lined with greased waxed paper. Bake in moderate oven (375° F) 15 to 20 minutes.

Turn out onto towel sprinkled with confectioners sugar. Remove paper. Cut off crisp edges; roll up; cool.

Unroll and spread with sugar-sweetened whipped cream. Roll up and dust with confectioners sugar.

Penn Grade Crude Meeting Will Hear Well Known Writer

WHEELER McMILLEN

"Some Guesses at the Agricultural Future" will be the subject of talk by Wheeler McMillen, vice president of Farm Journal, Inc., at the annual meeting of Pennsylvania grade region oil men in Pittsburgh's Penn-Shearson Hotel June 6.

Mr. McMillen, noted farm-magazine editor and long-term proponent of research to find wider markets in industry for farm commodities, is currently serving as executive director of the bipartisan Commission on Increased Industrial Uses of Agricultural Products, appointed by President Eisenhower under provisions of the Agricultural Act of 1956.

Born and reared on a farm near Ada, Ohio, Mr. McMillen left college to become a newspaper reporter and at 21 owned his own paper—the Covington, Ind. Republican—and was the youngest newspaper publisher in Indiana. Subsequently, he operated his family farm, meanwhile continuing his writing until 1939 when he became editor-in-chief of Farm Journal. He is the author of four books on farming problems.

Mr. McMillen is board chairman of the Council for Agricultural and Chemurgic Research and chairman of the national committee on rural scouting of the Boy Scouts of America. He holds honorary degrees from Ohio Northern University and Parsons College and citations from the nation's 4-H Clubs and the Freedom Foundation at Valley Forge.

Stunt Man Booked for Skyline Speedway Sunday

This Week Skyline Speedway not only brings to you the best in auto racing with all the top name drivers but as an added feature to our show we are presenting to you "Johnny Hardinger" well known motorcycle and automobile stuntman. Formerly with Ward Beams World Champion Hell Drivers and Dick Rogers All American Motor Maniacs, Johnny will do for you right before the grandstand the sensational T-Bone crash. For those of you who have seen this stunt before you are probably still wondering how the stuntman came out of it alive and for those of you who are wondering what a T-Bone crash is, the best advice is to be at the Skyline Speedway next Sunday for Johnny Hardinger has assured us that it is one of the roughest stunts in the business and that anything can happen. So tell your friends if its excitement they want, come to Skyline.

Excellent Progress Reported In Program of the Warren County Probation Association

News release from the Warren County Probation Association. Progress in the program of the Warren County Probation Association includes definite savings to the taxpayers of Warren County, according to a report received at the annual meeting of the Members of the Association held Wednesday night in the Court House.

At the annual members meeting (any one contributing \$10.00 or more to the Permanent Endowment Fund of the Association is a member), held in the Chambers of Judge Alexander C. Flick, Jr., reports were received from E. C. Rasmussen, treasurer of the Association, from Judge Flick, a director of the Association, and also on behalf of the Warren County Probation Officer for Boys, A. J. McDonnell. While all reports showed progress in fulfilling the corporate purposes of the Association, the fact of greatest interest to the citizens of Warren county was the savings to the taxpayers brought about by the activities and functions of the probation officers.

The report disclosed that since January 1, 1957, there have been only four cases entered in Juvenile Court. One of these concerned a family with four neglected children. The second case concerned two boys who did not live in Warren County; they were wanted in Jamestown, New York and were taken into custody here for the sole purpose of holding them in detention until the New York authorities picked them up. The third case concerned a Warren county boy for whom a local solution is still being sought. The fourth and last case resulted in the commitment of a Warren county boy to a Pennsylvania Training School.

The small number of cases in Juvenile Court so far this year means a distinct saving in the expenditure of tax monies in carrying out the work of the Juvenile Court. It was explained to the members of the Warren County Probation Association that such a small list of actual court cases could only result from a great deal of continuous and successful activity by the probation officers.

In commenting on this activity Judge Flick told the meeting: "The small number of cases brought into court does not mean a great change has taken place in the behavior of young people or their parents. It does mean that A. J. McDonnell, Probation Officer for Boys, who was employed by the Warren County Commissioners in September, 1955, has been taking care of a considerable number of situations involving misbehavior by boys, without letting them get to the point where they required treatment by the Court. He works with boys and with their parents all the time and he establishes unofficial probation cases at a pre-court level. He does a great deal of work with boys and their families in order to keep cases out of court, and in this work he is able to enlist the help of many people, including guidance officers from other schools and members of the police forces in our various communities. This work accomplishes a considerable amount of good for the boys concerned, and for their parents, and it also saves the Warren County taxpayers the cost of processing these cases in the Juvenile Court, and in some instances the cost of maintaining boys in Pennsylvania training schools. Such work can only be effective if it is continuously and successfully carried out."

Judge Flick also explained the savings to the Warren County taxpayers which is brought about by the work done by the probation officers in connection with neglected and abandoned children. "The home life of these children," said Judge Flick, "is such that the minimum standards of health are not being maintained by the parents, and the children do not have adequate care, guidance and control. In such cases the Pennsylvania Juvenile Court Act places upon the Judge the burden of supplying such care, guidance and control. If necessary the custody of such children is given to the county and they are placed in the Children's Home or in foster homes. This is a last resort for the care of such children and can be heavy as a public expense. Whenever possible, Mrs. Jordan and Mrs. Schaeffer, the probation officers who take care of delinquent girls, work with the parents to help them understand how to establish and maintain at least minimum standards of care and control. If something is not done to improve the home life of these

neglected children, they will sooner or later turn up as delinquents. Fortunately we do not have too many sub-standard homes in this county. However, we do have a sufficient number to keep two people busy all the time trying to straighten out such homes so that the children may be properly brought up. All of this work is at a pre-court level. It not only saves the children, and the family unit, but it saves the taxpayers a good deal of money."

The report of E. C. Rasmussen, treasurer of the Warren County Probation Association, showed that the 1956 campaign, put on by the Warren Rotary Club to add \$5,000 to the Permanent Endowment Fund of the Association, had been successful, and had gone over the top by \$220.80. The present bal-

ance of the Permanent Fund, held by The Warren Foundation, Inc., is \$16,000. The income on this Fund, which will amount to about \$640.00 in 1957, is to be turned over to the Warren County Commissioners to help pay the cost of maintaining an adequate probation system for juveniles. In this connection Judge Flick read to the meeting a letter he received from Richard G. Farrow, Chief of the Division of Youth Rehabilitation of the Bureau of Children's Services of the Pennsylvania Department of Welfare, who said: "It seems to me it is a wonderful demonstration of community support for a service to both Court and children."

The members of the Association elected five directors to serve for a three year term. These were: Maurice R. Emery, S. Knox Har-

per, W. Howard Alexander, Clifford R. Betts and Allan M. Gibson.

A meeting of the directors was held immediately following the annual meeting of members and the following persons were re-elected officers of the Association: President, W. Floyd Clinger; Vice President, John P. Wendell; Secretary, Warren E. Miller, and Treasurer, E. C. Rasmussen.

The meeting closed with the expression by Judge Flick to the members, the directors and officers, and the members of the Warren Rotary Club, of appreciation on behalf of the Juvenile Court of Warren county and all the persons served thereby. He said: "In helping young people to grow up in the right way, we can all make a permanent contribution to the welfare of our community."

Barbershoppers Need Financial Lift for Trip to Coast!

HARMONY HOUSE
by NORTHERN

The above picture presents one Warren's outstanding community assets in the field of goodwill ambassadors!

It is the latest photo of the Warren Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc., chartered in 1947 with a membership of twenty men, and currently appearing with approximately half hundred vocalists.

The organization is not only self-supporting from a financial standpoint, but has made cash donations over the years, since 1949, at approximate about \$4,560. These have been in individual contributions to such worthy projects as War Memorial Field, YMCA, St. Slove League, Armed Forces Quarters, Trinity Memorial church, Hoffman Children's Home, Warren City Choir, Rouse Hospital (TV set), Boy Scouts, North Warren Civic Club, Youngsville Kiwanis Club, Carroll Adams Fund, College and rector's fund, Camp Jefferson, shut-ins, First Lutheran organ fund, Kay Costley Ambassador fund, Jaycee tennis court and ice skating rink, Warren CD Emergency Radio Association, Community Ambassador Project, National Honor Society, Warren Music Boosters, Lions Club of Erie, Save an Eye Fund, Edward Stokes Times-Mirror fund, etc.

In addition to cash contributions the Society has made so many free appearances for organizations and fund drives it would be impossible to list them all.

Bairstow Studio
221 Liberty Street
Warren, Pa.
Established 1878

Among them were annual programs at Rouse Hospital, Children's Home, Watson Home, and Keystone Nursing Home; Warren State Hospital; Fourth of July celebrations; Chamber of Commerce Promotions; Elks Flag Day exercises; North Warren Civic Club; Hungarian Relief; average of six programs yearly before PTA organizations. Added to this quartet from the Warren Chapter have made hundreds of free appearances for any and all organizations when called upon.

Chapter officials never have asked for financial assistance, rather following the policy that it is more generous to give than to receive. Just how they will react to what they will read here is a matter of conjecture, but there are those in and around Warren who have concluded that it is high time that something be done by area residents to show appreciation for the favorable prominence brought to Warren through the fact that the Chapter, last November, won the regional contest at Auburn, N. Y., making them eligible to represent the Seneca Lands District at the International Convention Quartet and Chorus Contest to be held in Los Angeles Shrine Auditorium on June 20, 21 and 22. In California they will compete with the 14 other top choruses from other districts of the United States and Canada.

Few realize the importance of such a competition. Winners bring international recognition to both the chorus and the city from which they come. It means that their songs will be recorded by Decca Record Company for public sale, which could amount to half a million dollars in a year.

At the Chorus competition at Olean, N. Y., May 4th, the Warren Chorus presented their songs for the panel of judges, who were very high in their praise of the quality of all judging phases. They also presented some very helpful and constructive criticism and suggestions to help the Chorus win in California.

The cost and effort to each member of the Chorus to make the trip to California and represent Warren in the competition is a tremendous one. The winning Chorus must be dressed in identical costumes, requiring each to purchase identical coats, slacks, shirts, socks, shoes, neckties, pocket handkerchiefs, boutonnieres, belts or suspenders. To equip 56 men in this fashion is a large and costly undertaking. Without the help of the New Process Co., Style Shop, Carter Shoe Store, and Logan's Men's Shop this could never have been accomplished. In passing it might be mentioned that each member has paid for his own outfit; the Chapter has not purchased any part of any member's uniform. While in California each member must pay his own expenses. This will include meals and hotel expenses, transportation at Los Angeles and convention reservation.

To send 56 men to California under these circumstances will cost better than \$11,000, which the Chapter is guaranteeing. Each man will be furnished transportation to and from Los Angeles by way of United Air Lines from Cleveland, O., leaving at two a. m., Wednesday, June 19th, arriving at 8:35 a. m. at Los Angeles, Sunday, June 23rd. The Chorus must charter a bus to get to and from Cleveland.

One of the great problems has been to get all fifty-six men organized to be able to get time off from their places of employment for this period. The Sunday return is necessary in order for the men not to break into another week, or interfere with vacation schedules. Local employers have been most cooperative in helping to bring about this arrangement.

To help finance the transportation the Chapter has completed and now has for sale "Harmony House" located at 200 Lookout street (above, background). This has required every free moment of

all members since last December, and was topped off by a very successful open house held recently. The Chorus has put every penny they have been able to earn into the fund and all proceeds of their ninth annual Night of Harmony

held in January. After all this work and effort it now appears the group will be about \$3,000 short of meeting their expenses.

It seems that a city such as Warren should be able to do

something in a practical and beneficial way to help such an important asset to the town put this goal over the top!

The Times-Mirror will be glad to help promote any suggestions that may be volunteered.

'Making' Boy Like You Just Makes You Anxious

BY MRS. MURIEL LAWRENCE

DEAR Miss "Miserable":

I think it's indeed difficult to be the "steady date" of a boy who is often late for engagements, breaks them and has to be asked "When do I see you again?"

Perhaps you'd better stop, listening to this boy's assurances that he likes you—and realize his actions tell you he isn't sure of this at all.

Let's leave him alone until he is.

When we think we have to make up boys' minds for them on this matter, we are allowing the boys' uncertainty to make us demanding and provocative. We resent this deeply. Though we may still imagine we want the boys, we seldom do. We dislike them for making us pursue them.

DO you remember the Greek statue called "Venus de Milo"? Listen to what a young English painter named Michael Ayrton says about her: "She holds peace in her slow rhythms, for this ideal woman is not provocative. It is not that she is sexless, far from it—but she is not there to stimulate. That is the task of fashion. She is there as the haven of return."

Then he reminds us that the appeal of Venus de Milo has outlasted centuries of changing fashions in sirens and other demanding women.

Today's girls need to accept the truth in Ayrton's words.

THEY see so many movies and advertisements, read so many stories that glorify girls who "make" boys like them that they feel they have to force their boy friends to like them, too. What the writers of the movies, ads and fiction don't tell us is that this responsibility keeps us anxious and resentful.

Just as a boy's uncertainty about us keeps us miserably pursuing him, so his decisiveness about us restores us the "slow rhythms" of the Goddess of Love. We relax. We begin to glow. Because we can feel the boy's decisiveness and directness, our real nature as woman begins to blossom in warmth and response.

He's always worth waiting for—the boy who needs no help in deciding what he wants.

Youngsville Boro Council Adjourned Meeting Busy One

Youngsville—The adjourned regular meeting of Borough Council was conducted by President E. Leo Johnson, with the invocation given by G. M. Sanford.

A resolution providing for expenditure of the 25% state funds for drainage on Marsh avenue was adopted. Also adopted was a resolution concurring in the resolution of the Board of Commissioners of the County of Warren, designating Warren County Development Association as the Industrial Development Agency for the County of Warren in all matters relevant to and for all purposes of the Industrial Development Assistance Law.

In the matter of the street paving program, the secretary was authorized to advertise for bids for the paving of Bates street from the present terminus of the pavement to the end of the street; also to advertise for separate bids for paving and curbing of Second street from High street, west, to the end of said street; bids are to be asked for paving of Mill street from the present end of black top to the borough line.

The paving program has been given considerable study by the street and finance committees. On the streets requiring installation of storm sewers, these will be installed and permanent paving and curbing will be done at such times as the sewer excavations have settled sufficiently to warrant paving on the construction.

Storm sewers will be installed this year on Marsh avenue and Davis street, and these streets will then be paved and curbed at such time as the borough superintendent feels that the excavation has settled enough to permit such paving.

Superintendent Sanford was authorized to purchase necessary material to install a 6-inch water line on Division street, from Fifth street to Sixth street, and on Sixth street, from Division street to High street.

President Johnson reported Fred Baumgardner, property owner on Seventh street, has offered and has purchased approximately 300 feet of tile to be installed on Seventh street, for a storm sewer. Council authorized the borough to install such tile and to pay for bringing the tile to Youngsville from Starbrick.

Authorization was given for the purchase of a Hays topping machine to replace the present equipment, now obsolete and worn.

RUSSELL

Russell—Mrs. Joseph Swanson, with Mrs. Algot Lundgren of Akeley, attended the 17th annual meeting of Erie Conference WSCS in Oil City, reporting an attendance of 543 persons.

Sunday guests of Mr. and Mrs. Joseph Swanson were Mrs. Vivian Lusk and son, Larry, Erie; Mrs. Selma Sandeen, Warren; Mr. and Mrs. Minor Swanson and family, Jamestown. The occasion marked the birthday anniversary of the hostess, who was also a Saturday guest of Mrs. Levi Carlson of Jamestown for the breakfast at Bigelow's program. Sharing honors with her was Mrs. Carlson's daughter, Karen.

Mr. and Mrs. Vinton Finzer and Mary Ellen Finzer were called to Canton, O., Sunday by the death of their uncle, Julius Rosenbluh.

BERGMAN-ROSSELLINI RIFT?—It has been reported that Swedish film star Ingrid Bergman and Italian director Roberto Rossellini, shown here shortly after their 1950 marriage, are about to split up because of Rossellini's infatuation with the wife of an Indian film director. All three involved, including Indian beauty Mrs. Sonali Das-Gupta, 27, issued denials. Sources in New Delhi say that Rossellini has been asked by the Indian government to leave that country.

CHALLENGER—John T. O'Brien, fourth vice president of the Teamsters Union, shown at his desk in Chicago, says he's ready to challenge Dave Beck for union leadership. He claims he'll run for the presidency against Beck when the union convenes September 30, running on a "cleanup ticket."

Kiwanis Club Will Give 'The Spot' Fund Campaign a Boost

The future continues to look rosy for the young people of Warren in relation to their "Spot". Following Tuesday night's announcement of mutual agreement on lease conditions by YMCA and Adult Steering Committee, Warren Kiwanians revealed that money to be presented for kick-off of the "Spot" Fund Raising Campaign would amount to \$1,000.

At the May 7 Kiwanis Board meeting when this sum was voted on and passed, Kiwanis President, Dr. Lee Berger, summed up the feelings of all Kiwanians when he said, "We, the Warren Kiwanians, feel that by presenting this check to kick-off the 'Spot' Fund Raising Campaign we are reaffirming our faith in the young people of Warren and abiding by an objective of Kiwanis International, namely, 'to develop by precept and example, a more intelligent, aggressive, and serviceable citizenship.' We do not hope, but we know that this money will go toward developing a more intelligent, aggressive and serviceable young citizenship. Young citizens, who, in not too many years will be handling not the affairs of 'The Spot' or their schools, but of this community and their homes. The Kiwanis slogan is 'WE BUILD' and when it involves Warren County boys and girls we stand behind our slogan materially and altruistically."

Erie Solicitor Will Address Democratic Meeting Saturday

Gerald J. Weber, Erie City Solicitor, has been chosen by the Warren County Democratic Executive Committee as the principal speaker at the Democratic Gala Day which is scheduled to convene in the Pleasant Township Fire Hall at 8 p. m., Saturday, May 25. Attorney Weber is a native of Erie and a graduate of the University of Pennsylvania Law School. He has practiced law in Erie continuously except for a five year interval when he served with the U. S. Army as an Intelligence Officer in North Africa and Europe. Mr. Weber has served as Erie's solicitor since 1952.

Annual Camporee Planned at Olmsted Beginning Friday

Scouts and leaders from the far reaches of Warren County will gather at Camp Olmsted beginning Friday night for the annual Camporee. Over 225 advance reservations have already been received, and more are anticipated.

One of the highlights of the weekend will be the practice camp for the Jamboree troop, which will give the first showing of the \$1000.00 worth of equipment which they will take with them to the 4th National Jamboree at Valley Forge this summer.

Units may check into camp either on Friday or Saturday morning. Those units checking in to camp on Friday night will spend part of Saturday morning on conservation projects, which will give them a head start on the conservation contest sponsored by the Warren Field and Stream club.

Saturday night the entire camp will take part in the annual Camporee service project, in which Scouts work at the cemetery in which Chief Complanter is buried.

Visitors will be welcome in the camp Saturday evening and at the campfire which follows.

The Order of the Arrow will maintain a trading post at which fresh milk and bread can be purchased.

Island Park To Be Scene of Boy Scout Co. Fair Next Year

Youngsville fairgrounds will be the site of the Boy Scout County Fair in May of 1958, according to information received by William Muir, Activities Chairman of the Chief Complanter Council.

Because of facilities available, it was first choice of the committee, and an immediate request was made for a reservation.

The county fair will be a highlight of the Boy Scout program in 1958. Packs, troops, and posts throughout the county will be assigned booths in which they will display skills and fun events.

The show will run Friday night, May 23, and Saturday afternoon and evening on May 24, 1958. Special shows and contests are planned for both evenings and for Saturday afternoon.

By WILSON SCRUGGS

They'll Go Dating This Summer

Graduation fashions are closely related to current fashions. Most teen-agers want dresses they can wear later on during the summer rather than for one occasion only. And most of them prefer the short length. We show here (left) white cotton lace cut by Lane into dress with slim bodice, full skirt and high round neck. Emma Domb creates a three-in-one ensemble based

on a halter dress of white organdy over blue (center) worn with eyelid-embroidered cotton redingote coat. Dress can be worn alone and redingote can be worn as a dress, too. Satin-striped cotton (right) has lantern sleeves criss-crossed with lace. The straight neckline is outlined in lace in this Sportlane Deb design. These three are ideal date and party dresses, too.

BY GAIL DUGAS, NEA Women's Editor

NEW YORK (NEA)—When a teen-ager goes shopping for her high school graduation dress, she's likely to be looking for several things in one package. Her school may very likely insist on white. She herself will be looking for fashion. She will not

want to look like all of the other girls in the class since there can be a sameness about a cluster of white dresses. But she also will be searching for a dress that will see her through summer dates.

The teen-ager who buys a dress for one occasion only has become as rare as the woman who can afford to order a truly magnificent ball gown to be worn only once.

Instead, the teen-ager is looking for fashion points that include wide skirts (pretty for dancing), tiny bodices, interesting sleeve treatments, jewelry necklines and interesting uses of cotton, be it eyelet, embroidered, organdy or satin-striped.

Use Planters - Outdoors While New Shrubs Grow

BY EAY SHEERWOOD
NEA Staff Writer

Let a portable garden add color to the entrance of your new home while you're waiting for the lawn to take hold and tiny shrubs to grow. Colorful planters, foliage and flowering plants offer a wide variety of choices to help you get the effect you want.

If you're not a born gardener, hunt up a good nurseryman to guide your selection of plants that will thrive. The expert will want to know which way the house faces, how many hours of sun plants will receive, whether you want tall plants or low ones. He'll help you plant them and advise on their care.

As showcases for the plants you can find all sizes and shapes of planters. But be sure they are intended for outdoor use and if they are metal, be sure that they are rust-proof.

SOME PLANTERS are intended for either indoor or outdoor use. Big fiberglass bowls, for example, set in metal tripod bases, are light weight and weather resistant. They come in

Summery foliage plants in sand-colored fiberglass planters add a garden touch to this new home. Brass bases are rust-proof.

lively shades like green, lemon, pink, turquoise and blue, as well as the more neutral sand, white, charcoal and brown.

Colors used on the house exterior will influence the choice

of color in a planter. Interesting foliage plants may be a better choice for colored containers than a bunch of bright blooms.

The iron, brass or pewter bases come in two heights, 18 inches

and 30 inches. You can choose the size that blends with the proportions of your entrance.

Also portable, for use indoors or outdoors by a doorway or patio, are wrought-iron gates. In black or white, they are equipped with about eight white pots for smaller plants. Gracefully curved, they do not hinge to anything but are firmly supported on a stand. The flowers in the pots can be changed easily as the season progresses.

ANOTHER VERSATILE display of plants is suggested by an iron lantern-shaped cage. This holds a small pot inside and hooks to a bracket. More cages can be hooked underneath chain-fashion in case you need a tall, slender arrangement.

If you want to keep a part-time garden as simple and inexpensive as possible, don't overlook the big, sturdy clay pots which can be left their natural reddish brown or sprayed white. Planted with brightly colored flowers such as geraniums they can rim a patio, stand on a low retaining wall or flag a gay welcome on the stoop.

A friend of mine spruced up a sparsely planted doorway to her rustic-type home with two small barrels painted white. She planted them with vines that spilled over the sides.

vicinity of Lock Haven, the Hazleton-Wilkes-Barre area, and thence easterly to a point of junction with the interstate system extending between Delaware Water Gap and the vicinity of Scranton."

The federal official also reassured the association that U. S. 6 "will remain on the federal aid primary system of highways."

"It will be eligible for federal aid to the extent of 50 per cent of the total cost of undertaking the necessary construction or reconstruction which may be necessary and requested by the state highways department," he telegraphed.

A decision on selection of the general location routes had been pending since last fall. Recently federal authorities asked the state for a new cost survey.

The Route 6 region had been marked for the federal network under plans going back as far as 1947. Known as "Scenic Route 6", there was some doubt, however, about having a through highway, which could whisk tourist traffic right through the state instead of depositing the out-of-state visitors in vacation spots of northern Pennsylvania.

Proponents of the shortway followed that tack, claiming also that more industrial areas would be served by the shortway route.

Democrat Ervine N. Branch, present Justice of the Peace, against Mrs. Martha Lawson, present JP secretary. Another Democrat, Tom Donnelly will oppose Gerould Osgood for tax collector to replace Ethel Baldensperger who resigns.

For auditor, Democrat William Crecraft opposed Republican Gerald Huber. Democrat Clara B. Benson will be out to score over one of her two Republican opposers, W. Scott Calderwood or Russell Hanson who ran without competition for school board nomination in the primary.

State Leaders Show Little Concern Over the Election

Harrisburg (AP)—A great big cipher seemed today to be the only significance of Tuesday's primary election results in a search for a statewide trend leading to the 1958 gubernatorial campaign.

As it turned out, it was for the most part a local election of local candidates on local issues. The defeat of former Gov. John S. Fine for a Luzerne County judgeship was a case in point. Neither Fine nor his opponents invoked statewide issues.

But the sudden halt in Fine's political comeback was expected to reduce his remaining influence in Pennsylvania Republicanism.

AFL-CIO Officials Are Completing New Code

By NORMAN WALKER

Washington, (AP)—The AFL-CIO may come up with an answer today to congressional complaints about lack of democratic procedures in labor unions.

The Federation's Executive Council was due to finish work on a new code of principles aimed at insuring rights of union members. Senate Rackets Committee hearings have produced testimony on "rigged" union elections and poor attendance at union meetings.

George Meany, AFL-CIO president, told newsmen yesterday that failure of union members to attend meetings was "one of the outstanding problems in the trade union movement today."

He said poor attendance encourages misuse of union funds by dishonest officials.

AKELEY

Akeley—Mr. and Mrs. Algot Lundgren called on the former's brother, Rev. Lundgren, in a Buffalo hospital and report he is gaining satisfactorily.

Mrs. Halie Hoyt has been spending the past few weeks with Mr. and Mrs. William Granquist at Wexford, where she is receiving treatment by an eye specialist from Pittsburgh.

Phyllis Nelson, of Jamestown General Hospital, has returned to her duties after a few days at home.

Mrs. Ora Miller and Mrs. Lila Biss visited friends in Indiana county recently.

KIDNAPER ARRESTED
Norfolk, Va. (AP)—Willy Lowe, wanted in New Castle, Pa., for kidnapping, rape and robbery and sought for three days by FBI agents and Norfolk police, was picked up here last night. The vice squadmen who made the arrest walked up to him and took him into custody without incident. He was unarmed and offered no resistance.

Noted Gambler Leaves Pen With Body Guards

New York (AP)—Gambler Frank Costello, free in \$1,000 bail while appealing a 30-day contempt sentence, has been provided with a two-man police guard.

Costello left Rikers Island prison yesterday after spending 15 days of his sentence. He was imprisoned May 7 after refusing to tell a grand jury about a reference to "gross casino wins" found on a note in his possession—apparently referring to a \$651,284 gambling deal.

The note was found in Costello's pocket after an unidentified assailant grazed his skull with a bullet May 2 as Costello was entering his Central Park West apartment residence.

What Manager Al Lopez was able to accomplish only once in six years at Cleveland, he may achieve in his first year at Chicago. That would be beating the Yankees.

The White Sox' early whirlwind pace no longer is to be snickered at. Even the experts who predicted a New York runaway are beginning to take the White Sox seriously.

How can you ignore a team which owns a comfortable three-game lead after five weeks of play... a team that has won 20 out of 27... a team that rebounded from three straight defeats by the

Yankees to win nine in succession, the last two from the Yankees in their own back yard?

The Chicagoans capped their best road trip in history yesterday by winning their second straight from New York 8-4 to increase their first place American League margin to three games over Cleveland and four over the third place Yankees.

Boston Red Sox tied a league record with four home runs in one inning as they routed the Indians 11-0 behind the four-hit pitching of Tom Brewer. Baltimore nipped Detroit 4-3 in 10 innings and Kansas City outslug Washington 8-6.

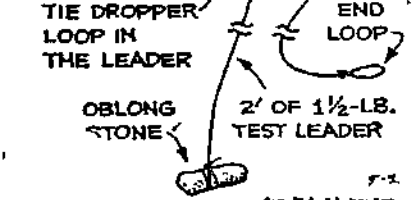

Cincinnati protected its one and a half game National League over Milwaukee, walloping Brooklyn 8-1 while the Braves were struggling to beat Philadelphia 4-3 in 13 innings. The New York Giants edged Chicago's Cubs 4-3. Pittsburgh and St. Louis were rained out.

IBC Gets Strong Support in Fight With Government

New York (AP)—Two influential organizations were lined up behind the International Boxing Club today in its stand against a government proposal the IBC says could mean an end to boxing as television has made it.

In this corner: Julius Helfand, chairman of the powerful New York State Athletic Commission.

In the same corner: Tom Gallery, sports director of the National Broadcasting Company, which telecasts the weekly Friday night fights.

Both struck key blows for the IBC while testifying yesterday before Federal Judge Sylvester J. Ryan in the government's monopoly suit against the IBC, its subsidiaries, and club officials James D. Norris and Arthur M. Wirtz.

Judge Ryan, who has declared the IBC guilty of anti-trust regulations in conspiring to monopolize promotion of fights, is conducting hearings to determine the extent of penalties to be fixed.

The government wants the IBC dissolved and Norris and Wirtz compelled to sever connections with the club's two main bases of operation, Madison Square Garden and Chicago Stadium.

The IBC contends such steps would damage boxing and yesterday Helfand and Gallery agreed.

Under questioning by defense attorney Kenneth Royall, Helfand said sponsors of the Friday night TV fights probably would withdraw their support if the Garden was not permitted to continue the series.

Warren Tracksters End Season With Loss to District Champs

Warren High School track squad bowed to District 10 champion Erie Academy in a meet yesterday afternoon on Beatty Field.

Only the Dragon's top miler, Bob Swanson, could score a first place in the track events as Warren salvaged a 56½ to 70½ defeat by taking four top spots in the field events and sharing a fifth with Academy.

It was the final meet of the year for Warren and the charges of Coach Loyal Briggs brought down the curtain with a creditable record, having won the District 10, Section 2 title and losing only 2 individual matches out of 10 scheduled.

Final activity of the track season takes place Saturday when District 10 discus champ Ron Bowen and Bob "Miler" Swanson participate in the state finals at Penn State.

Texas Lunch Wins 3rd in Row In City Softball League Play

Texas Lunch took its third straight City Softball League game last night at Memorial Field as the TL squad capitalized on a power-plus roster behind some excellent pitching.

B. Speicher had a no-hitter going for him in the last of the ninth with two out when Denardi, wielding the hickory for Lacy Confection's tagged a 3-bagger, driving in both runs. Final count was Texas 12, Lacy's 2.

The TL scored early and had racked up 12 by the seventh inning. Speicher, a fine new pitcher lately returned to local competition, had his second consecutive no-hitter going for him in the ninth before Denardi belted one safely, driving in both runs. D. Baldensperger was individual hitting star, clouting four in five trips.

FALLS JUST SHORT—Leading in a close heat in the 440-yard dash in Lancaster, Pa., Jim Bond of Harrisburg's William Penn High falls just short of the tape but across the finish line, circle. The officials ruled David Heinzelman, right, the winner and placed Clyde Brown, left, second. Bond was accorded third place.

Grayson's Scoreboard

BALTIMORE—(NEA)—After the Flamingo at Hialeah Park, in which his Gen. Duke was second by a nose to Bold Ruler, somebody asked Willie Hartack, "What happened out there?" Willie's answer was phrased along the lines of a man who had just broken his toe.

After the Kentucky Derby, Hartack leaned against a window in Churchill Downs' tack room, put down a cup of coffee and reached through people to grab a sports writer.

"Do you need anything?" he asked.

As a winner, Hartack is a smiling wisecracker. As a loser, sheer murder.

This is Hartack at work—a jockey who goes over future mounts with Chick Lang, his agent, and turns conferences into small-sized battles. "It's hard to say without checking," Lang says, "but I think I'm ahead of him. I've quit him 49 times. He's fired me 47."

Away from the track, Hartack is a consistent, pleasant bundle of energy and chatter.

HE IS THE HARTACK who stormed into a restaurant in Charles Town, W.Va., one night and lashed at a track official who had failed to give promised help to Norman Corbin, a young owner for whom Hartack was riding. Willie risked quick suspension.

He is the Hartack who doesn't bet a cent on horses, but will shoot dice or try to break a gin rummy game at every chance.

He is the Hartack who prefers his own set of friends—an exercise boy, a neighbor in Charles Town, his present home, and a young sports writer—to the big shots who would like to hang around.

BUT A RACE TRACK, to this jockey, is his private property. When Willie walks out of a tack room to get on a horse, he is a straight-faced, quick-striding youngster who has spent a lot of time memorizing the traits of each horse in the race. He wants to be left alone to concentrate on them.

"The track," he says, "is my office. Do I come around bothering you when you work?"

Willie first appeared as a winning rider in October of 1952 at Waterford Park, W.Va. He rode Nickleby, a plater, to victory with a sit-still style. "I didn't move," he explained, "because I was terrified."

He went on to ride 36 winners that fall. In 1953, he still was on half-mile tracks around the east, but he was the hot-shot, pushing 80 mounts home first. He never stopped. Corbin, who had him under contract, sold the paper to Mrs. Ada L. Ruce of Chicago for \$15,000 in 1954.

WITH THE STRONG Rice stable, Hartack was given his first stakes mounts and he hit headlines with Pet Bull, the handicapper star. Since 1955, Hartack has been a free-lance rider, although powerful Calumet has first call on his services.

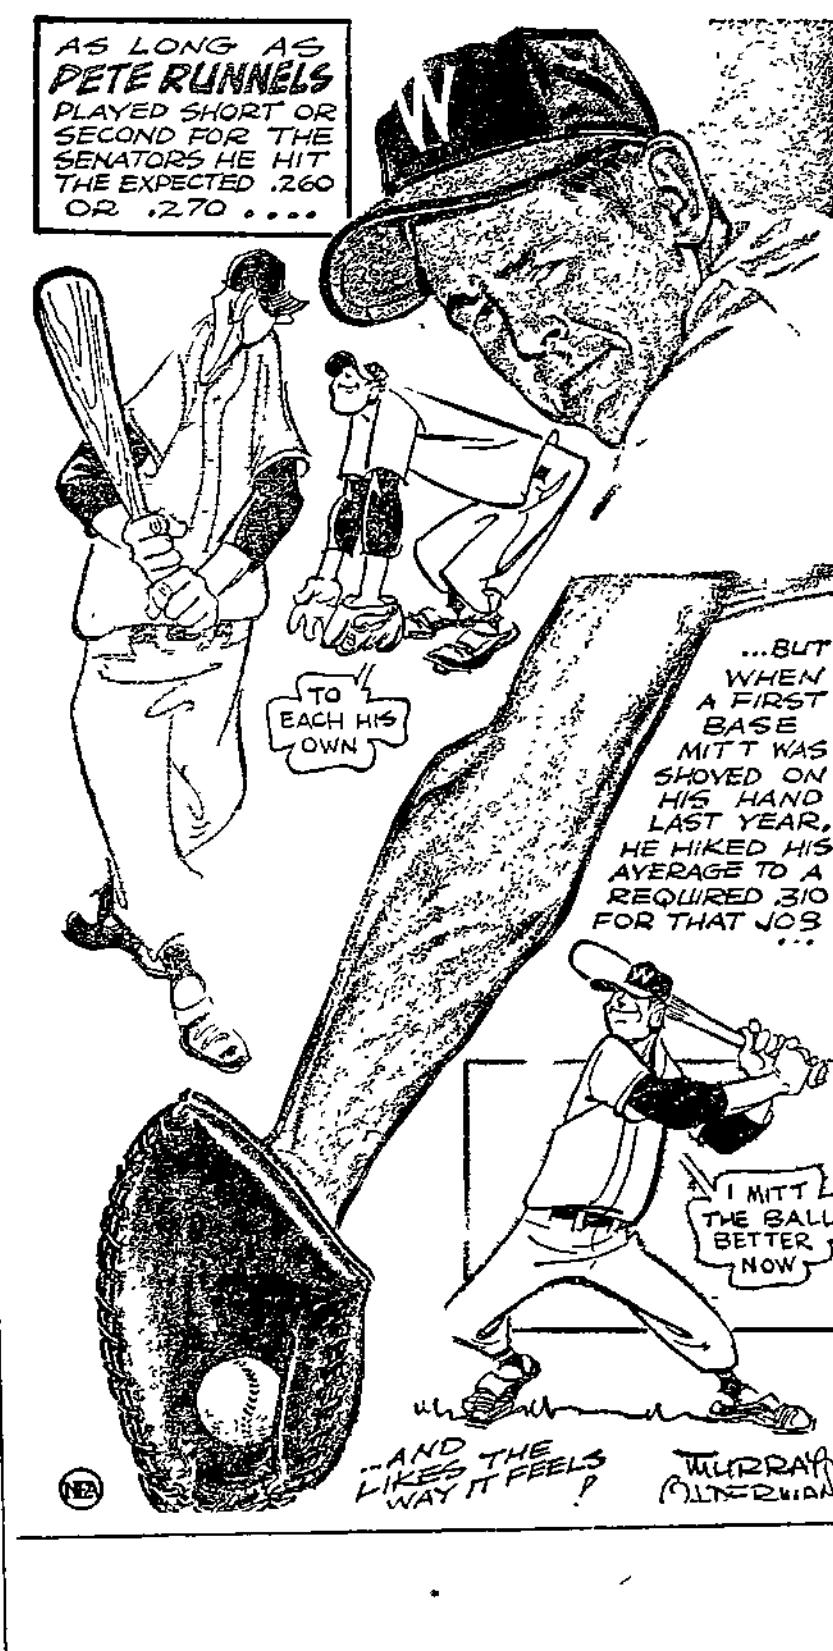

Hartack is a left-hander and he believes it has a lot to do with his success. "The horse doesn't expect to be hit on that side," he says. "It sure has helped getting a couple of lazy ones to running. I think a left-hander has it all over a right-hander in riding. There's so few southpaws, for one thing. And it's easier to learn how to whip with your right hand than it is the other way around."

He is no left-hander in his thinking about money. "It can end tomorrow," he says. "I'm planning accordingly."

Bet on that. Bet on Willie Hartack all the time, on a horse or not.

Warren Elks Have Game Scheduled For Memorial Day

The 1957 version of the Warren Elks baseball team will be unveiled Memorial Day afternoon when they play an exhibition game with the Jamestown Marlin Rockwells at the State Hospital diamond beginning at two o'clock.

In making the announcement today Manager Diz Hines said that he is completing plans for a game with the Jamestown Moose team at the Hospital on Saturday, June first.

It is possible the Elks will play an exhibition game with Ludlow at Wildcat Park Sunday afternoon of this week.

All games being booked are on a home-and-home basis. It is expected one of the early contests will be a night game at St. Marys with that team coming into Warren for a return engagement.

A large squad was out for the evening practice session at the Hospital Wednesday under the watchful eyes of Manager Hines and Coach Nick Creola.

Southpaw Blasts Toothpick in 6th; Mismatch Claimed

Detroit (AP)—"This southpaw business is confusing," said the little man they call Toothpick Brown. "He was always coming at me from the wrong side."

It was a clear mismatch that brought Brown and Lane together in last night's nationally televised and broadcast lightweight bout from Detroit's Olympic Stadium. George Katz, Brown's manager accepted the blame.

"I am the world's dumbest fight manager—and you can quote me," he told newsmen.

What happened was that the 24-year-old Lane, after dominating the action through the first five rounds, connected with a looping right hand in the sixth round and Brown was counted out at the 1:14 mark. For the Muskegon, Mich., fighter, it was his 13th straight victory, his third straight knockout win and his 46th triumph in 51 starts.

Anton Hulman Jr., Speedway owner, eased the fear of weather somewhat last night by announcing each car will get a chance to qualify if it takes until 1 p. m., CDT, Tuesday.

The Pittsburgh Pirates will conduct a tryout camp at Charleroi, Pa., on Thursday and Friday, June 13 and 14. The sessions will be held at Charleroi High School Stadium and will begin daily at 9:30 a. m. On June 17 and 18 tryouts will be held at New Brighton at Memorial Field.

The tryout sessions will be under the direction of Pirates Scouting Director, Rex Bowen, and Pirates Area Scouting Supervisor, Ray Welsh, who will be assisted by George Chacko and George Schmidt.

Players must be at least 16 years of age to be eligible to attend and no Junior American Legion player will be permitted to participate in the camp if such participation would interfere with any of his Legion activities, and such tryout will only be permitted with a letter of approval from either his Legion coach or the Commander of the Legion Post he represents in Legion play.

Players are expected to furnish their own baseball shoes, uniforms and gloves with the Pirates furnishing other equipment. Players will also be responsible for their traveling and living expenses, with the understanding that all expenses will be reimbursed to those players signed to contracts with Pittsburgh organization clubs.

Manager Kerby Farrell of the Cleveland Indians once was told by an eager salesman that a good insurance policy was the same as money in the bank and Kerby today is inclined to believe that the fellow had something. As a matter of fact, Farrell says that he has double indemnity insurance in his bullpen of Ray Narleski and Don Mossi.
